CCZT exam preparation choices

- 1.) Using their free prep kit, you can study independently. You will find the study guides, knowledge guide, FAQ, and additional resources to assist you at <https://cloudsecurityalliance.org/artifacts/cczt-prep-kit>
- 2.) Self-paced training online offered by CSA at <https://knowledge.cloudsecurityalliance.org/certificate-of-competence-in-zero-trust-cczt>
- 3.) Instructor-led training online or in person. With a course that fits your schedule. I encourage you to go to the CSA website to look for live courses hosted by official training partners of CSA to deepen your understanding and knowledge of the CCZT with their two-day course <https://cloudsecurityalliance.org/education/schedule>
